Re: Approval of Extension for the Summit County Budget Commission to Complete its Work

The Tax Commissioner, upon consideration of the application filed by the County Auditor, as secretary of the county budget commission, on August 15, 2017, for an extension of time beyond the statutory date of September first to complete its work, as provided by Revised Code section 5705.27, finds that the extension of time is necessary and approves October 6, 2017, as the date within which such work shall be completed, pursuant to Ohio Revised Code section 5705.341 (last para.).

The Tax Commissioner also extends the October first deadline contained in Ohio Revised Code section 5705.34 for the political subdivision to authorize the necessary tax levies to the auditor by the same number of days that the extension to certify rates is granted by this entry. Accordingly, the political subdivision must authorize the necessary tax levies to the auditor by November 6, 2017. The County Auditor must notify each political subdivision affected by this entry.

It is ordered that a copy of this entry be certified to the County Auditor, as secretary of the County Budget Commission.

I CERTIFY THAT THIS IS A TRUE AND ACCURATE COPY OF THE ENTRY RECORDED IN THE TAX COMMISSIONER'S JOURNAL

NOTE: The ROLLBACK column added to this certificate represents the recently passed state budget, beginning with tax year 2013 the ten and one-half percent rollbacks will no longer apply to new levies that are enacted after the August 2013 election. These non-qualifying levies include additional levies, the increase portion of renewal with increase levies, and the full effective millage of replacement levies. Levies that will continue to qualify for application of the rollbacks are levies approved at or before the August 2013 election, inside and charter millage as they appear on the 2013 tax list, renewals of qualified levies, and the substitute of qualified school district emergency levies under Revised Code section 5705.199. In this column the Y indicates the levy qualifies for the 10% and 2 1/2% rollback. The N indicates the levy does not qualify for the 10% and 2 1/2% rollback.

SUMMIT COUNTY BUDGET COMMISSION CERTIFICATION OF TAX LEVY

(O.R.C. Sections 5705.34 & 5705.35)

Please use the Certification to adopt a resolution accepting the amounts and rates as determined by the Budget Commission and authorizing the necessary tax levies and certifying them to the Summit County Fiscal Officer.

Estimated yields on the Summit County Budget Commission Certification of Tax Levy estimate are Ad Valorem property taxes (based upon value). Included are the following State of Ohio tax relief programs, based upon value: 10% reduction in real property not used in business activity, 2.5% reduction in homeowner's residence real property and the homestead exemption reduction. Voter approved levies after the August 2013 election that are additional levies, the increase portion of renewal with increase levies and the full effective millage of replacement levies will no longer qualify for the ten and two and one-half percent rollbacks. (Refer to the note added to the bottom of the page of the Summit County Budget Commission Certification of Tax Levy estimate).

The information provided on the Summit County Budget Commission Certification of Tax Levy estimate does not include State of Ohio personal property tax replacement money, which is not based upon current assessed values, and is being phased out based upon varying schedules. These amounts are public utility electric and gas deregulation reimbursement money, and tangible personal property tax elimination reimbursement money.

Please feel free to contact us if you have any questions.
