

3038 Boston Mills Road Brecksville, Ohio 44141

Administration and Service Department Building: 330.659.4700 Email: j.schall@richfield-twp.org

Dear Resident:

It has been brought to our attention that your property does not have a green, reflective address marker. The Township is happy to provide these to residents at no charge. They can be placed either on your mailbox or in the right-of-way near the end of your drive (see pictures below).

These markers have been requested by the Richfield Police and Fire that use them to quickly identify a residence. You may feel that your home is clearly marked with house numbers but these can be difficult to read in the dark. The safety forces have said that the familiar green reflective marker, placed in approximately the same position on each property, is invaluable for identification.

To order an address marker for your home, please contact either the service garage at (330) 659 6483 or the administration office at (330) 659 4700. In an emergency situation, minutes can be critical – make it easy for safety forces to find you.
